Certificate II in Creative Industries (Media)

Careers
This qualification reflects the role of individuals who perform a range of mainly routine tasks in the creative industry sectors, work under direct supervision, and use limited practical skills and fundamental operational knowledge in a defined context. It is a preparatory qualification that can be used as a pathway into CUF30107 Certificate III in Media or other Level II certificates in Creative Industry related areas. These certificates prepare students to find employment in professions such as graphic designers, web designers, illustrators, animators, fashion designers, photographers, film-makers and editors.
