

HAMILTON SECONDARY COLLEGE

CLUBS & GROUPS TERM 2, 2018

Student Clubs and Groups

Participating in school clubs and groups allows students to develop strong relationships with their peers and a stronger sense of belonging to the school community. Becoming a club member is a wonderful way to meet new people, learn something new, and develop leadership skills.

Clubs and groups at Hamilton Secondary College are developed based on current and prospective student feedback. They are supervised and mentored by members of staff, who have volunteered to be a part of the activities offered. This program supports our school's commitment to students' wellbeing and fostering school values of respect and excellence.

Students involved will be given opportunities to build on their collaboration and communication skills and their creative and critical thinking skills, all of which are vital skills needed for them to be successful learners.

HOW TO GET INVOLVED

Formal club enrolments occur once a year. However, all students are welcome to join at other times and attend meetings by approaching the staff mentor running the club or group. There is no obligation to continue going to meetings and students can stop attending at any time, but being a consistent and supportive club member is most rewarding!

Weekly Timetable

Student Clubs and Groups

BADMINTON CLUB

When: Thursday Lunch

Where: Gym

Mentor: Mr Fisher

An opportunity for badminton enthusiasts, and even beginners, to learn and share their experiences! New students each year are increasingly showing the demand to learn and play badminton. We are here to support that!

CREATIVE WRITING/BOOK CLUB

When: Monday Lunch

Where: Library

Mentor: Ms Furness

If you love reading or writing, then the Creative Writing/Book Club is for you! Join our weekly meetings during lunch time to share writing projects, and to discuss and read new books of all genres. Creative Writing/Book Club is a great opportunity to explore different types of literature and meet new friends.

ENGLISH CONVERSATION CLUB

When: Wednesday Lunch

Where: International

Mentor: Mr Lobban

English Conversation Club is for students who would like to improve their confidence speaking English in a relaxed, friendly environment. It's a rewarding opportunity to share and converse, especially with international students. Everyone is invited!

ENVIRONMENT CLUB

When: Monday Lunch

Where: Rotunda

Mentor: Ms Hawker

The Environment Club focuses on the school environment and the interests of our local and wider international community. We explore different aspects of recycling, waste, habitat renewal and get involved in a range of national and international environment-focused events. Being part of this Club allows students to reduce their environmental footprint and actively campaign for a clean energy future.

FILM CLUB

When: Friday Lunch

Where: WH25

Mentor: Mr Dawson

Film Club is a place where all film lovers are welcome! Come and learn the art of film making or, if you already are experienced share your skills through small group projects and by contributing to school events.

GAMING

When: Friday Lunch

Where: M208

Mentor: Mr Taylor

Hosts competitive computer gaming tournaments. This is a fun atmosphere to be involved with providing students the opportunity to test their skills against one another! New members are welcome to bring along their friends and suggest new games to play with and against each other. All players of all levels are welcome to play, talk and meet other players.

MATHS CLUB

When: Thursday Lunch

Where: Library

Mentor: Mr Kelly

Maths Club is a place for students of any year level to challenge and build on their Maths skills by engaging in tricky problems. Students can share problems they have found or work on problems presented to them, they can work in teams or individually to crack the code.

ROBOTICS AND CODING CLUB

When: Wednesday Lunch

Where: Physics Lab SC13

Mentor: Mr Virgo

This club introduces students to the amazing world of coding and robotic technologies. Students learn how to code and experience a range of challenges to solve, furthering their knowledge and enhancing their skills as they progress.

SENIOR STUDENTS WEIGHT AND FITNESS CLUB

When: Monday Lunch

Where: Gym

Mentor: Ms Kuszniir

Students in Years 10-12 have the opportunity to work out in the gym weights room, actively supervised by teachers. To sign up, please see Ms Kuszniir and complete your consent form before your first session.

THE SANCTUARY CLUB

When: Monday

Where: Nunga Room

Mentor: Ms Power

The Sanctuary Club believes that promoting good mental health is vital for success of all students. It is a friendly environment for students from different backgrounds to meet, chat and have fun through our activities. At this club we will be fund-raising to donate to Headspace, an organisation that promotes youth mental health.
