

Daymap Connect is an extension of the Daymap Learning Management System. It is a Parent Portal and combines communication and student management, by providing parents with access to key school and student information on their child's learning behaviour, progress and performance.

Accessing Daymap Connect

Daymap Connect can be accessed using a login and password per parent. The easy-to-use system allows parents to create and manage their own accounts for Daymap Connect and enables them to access details for all their children enrolled in the school, anywhere and anytime.

The Daymap Connect login screen is shown below. This can be found by accessing the following link:

Daymap Connect

Daymap Connect has different levels of access that are set by the school. A reduced access mode prevents access to sensitive student information and might be used by the school if you have not completed any required identity checks.

Daymap Connect is navigated via the tabs on the left side of the window to view messages, a calendar of events, school notices and account details.

Schools can customise which tabs are used; therefore, your parent portal may not look exactly like the images below.

Receiving a “Not Authorized” message when trying to log in

If you are seeing the below error on your screen it means that you have gone to the wrong website.

Parents must access the parent portal through the following URL: <https://daymap.hamcoll.sa.edu.au/daymapconnect>

Dear 7R Parents

Today our 7R students presented the fantastic work they have completed as part of the practical component of their Construction Task.

Students have completed their self-assessment and peer assessments, and I was very impressed with their ability to reflect on their own work and provide constructive feedback to their peers.

Please enjoy these photos of the presentation. I am very proud of the hard work 7R has done on this task!
