

As of Tuesday, 9th of July 2024 there has been a change in the way you access Daymap.

The new web address you need to use to access the Hamilton Secondary College Daymap portal is:

<https://hamcoll.daymap.net>

Please update any existing bookmarks you may have created on your school laptop or home device to the new web address above.

Accessing Daymap while at the College

You should continue to be logged in automatically when accessing Daymap at the College using a school-managed device either through the desktop shortcut or via the new web address as shown above.

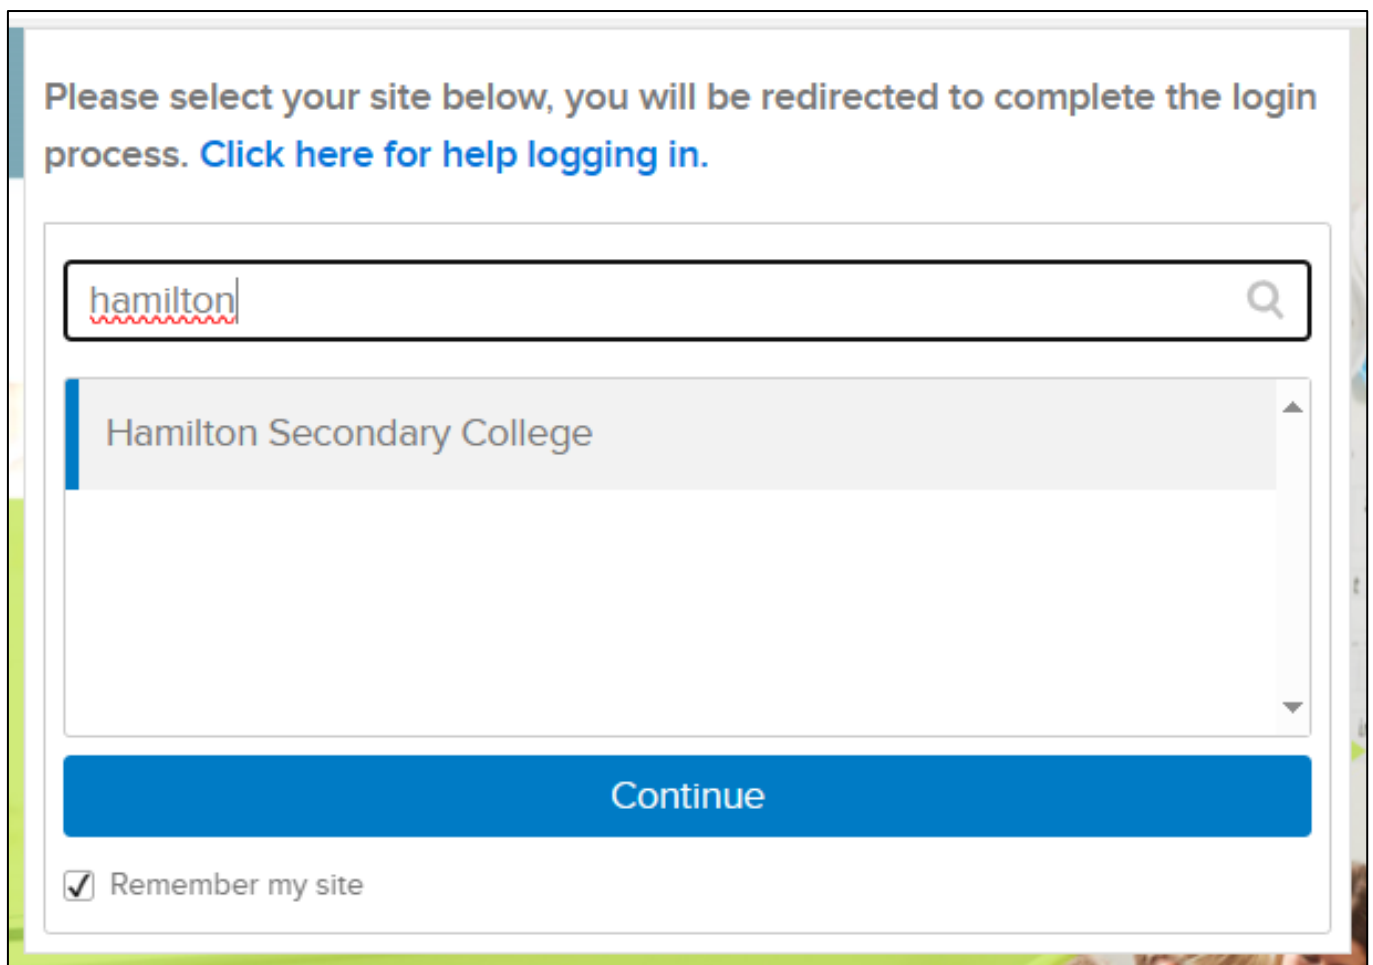

Accessing Daymap while at home, or otherwise away from the College

When you access Daymap externally while at home or otherwise away from the College, you will be prompted for the following information:

- School name
- Network username & password

The following screenshots will show what you will be prompted for when accessing Daymap externally.

1. Navigate to <https://hamcoll.daymap.net>
2. Select Hamilton Secondary College from the list of schools

Please select your site below, you will be redirected to complete the login process. [Click here for help logging in.](#)

Hamilton Secondary College

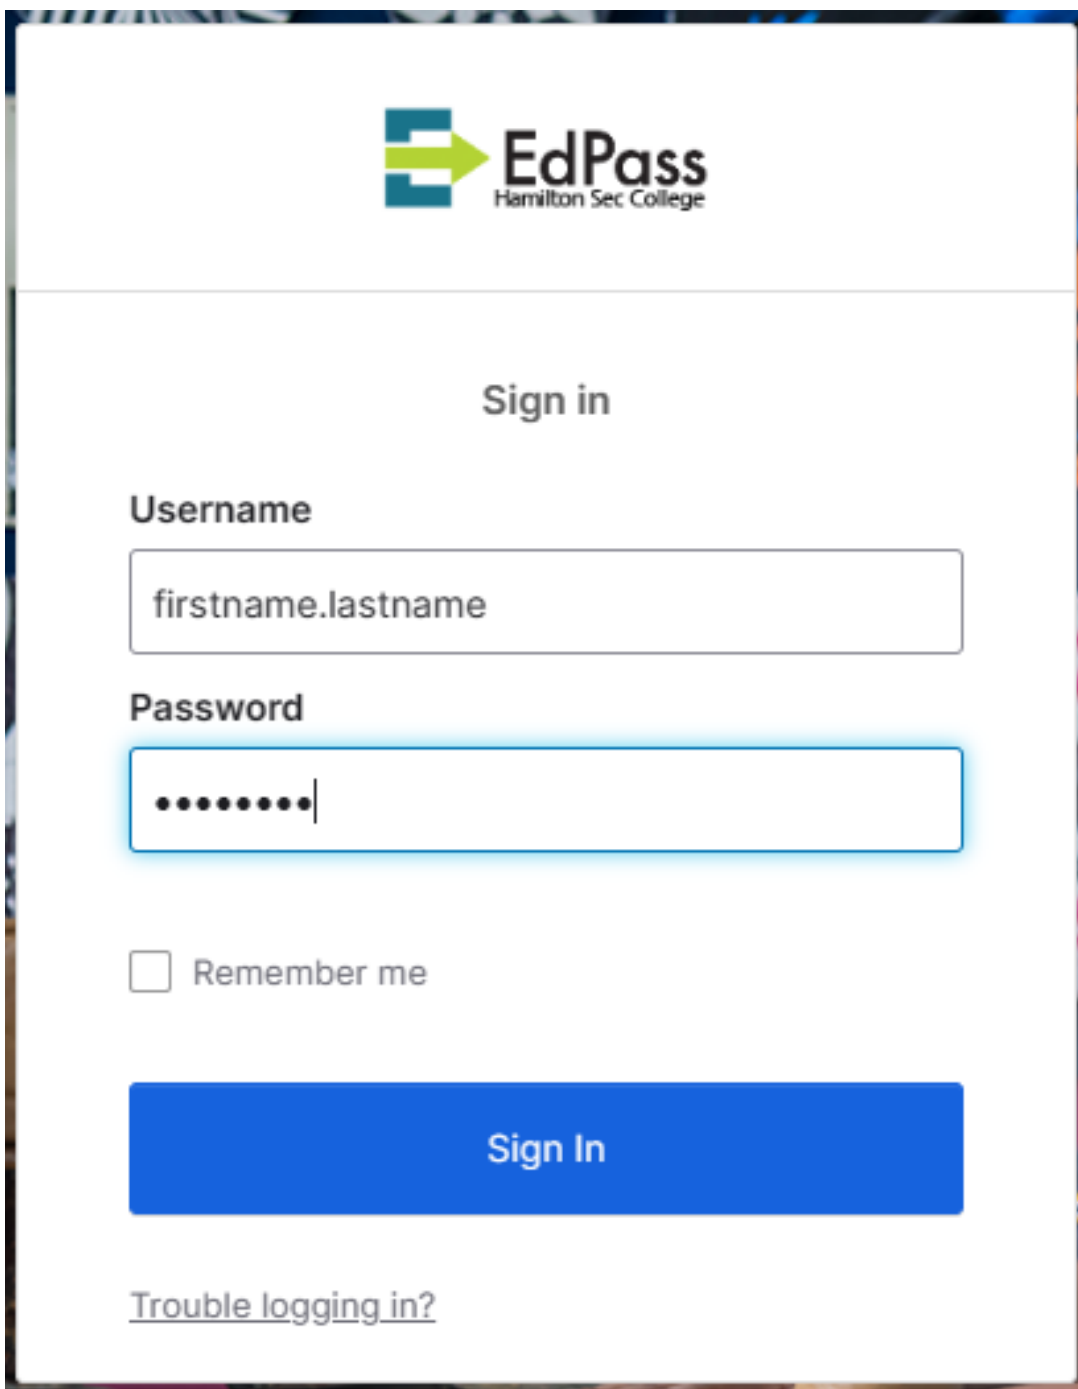

Continue

Remember my site

3. Enter your network username & password

This is the login you use when logging into your College laptop or the College desktops, as well as being the same login you have been using to log into Daymap previously

i.e. your username is firstname.lastname followed by the password you set.

The image shows a screenshot of the EdPass login interface for Hamilton Secondary College. At the top, there is the EdPass logo, which consists of a stylized 'E' made of two overlapping shapes (one blue, one green) followed by the text 'EdPass' and 'Hamilton Sec. College' below it. Below the logo, the text 'Sign in' is centered. There are two input fields: the first is labeled 'Username' and contains the text 'firstname.lastname'; the second is labeled 'Password' and contains a series of dots representing a masked password. Below the password field, there is a checkbox labeled 'Remember me'. At the bottom of the form, there is a large blue button with the text 'Sign In'. Below the button, there is a link that says 'Trouble logging in?'.
