

HAMILTON SECONDARY COLLEGE

27th July 2021

Dear Parents and Carers

Face masks will be required in schools from tomorrow (Wednesday 28 July) until further notice.

Face masks must be worn by:

- Students in Year 8 and above while indoors
- While travelling on school buses or public transport
- All adult visitors to sites, including to Early Childhood Education and Care (ECEC) sites.
- Staff when working one to one with students

The following exemptions apply to:

- Staff when delivering whole class instruction
- Staff and students when outside, including during practical PE lessons
- Students and staff if they have an illness, condition or disability, such as problems with their breathing, a serious facial skin condition, or a mental health condition.

Face masks help stop the spread of COVID-19, and by wearing one, students and staff will play a part in protecting their community.

Please visit [SA Health](https://www.sahealth.sa.gov.au) for tips on the correct way to fit and dispose of masks:
www.sahealth.sa.gov.au

Regards

Peta Kourbelis
Principal
