

HAMILTON SECONDARY COLLEGE

Monday, 6 April 2020

Dear Parents/Caregivers

I write to provide you with further information in relation to Term 2 preparations and arrangements.

Online trial on Wednesday, 8 April at 1:30pm

To ensure that our Remote Learning Program has a smooth start at the beginning of Term 2, teachers will trial a lesson with their Care Group, using Microsoft Teams as our online platform. The trial is scheduled for Wednesday, 8 April at 1:30pm, with the purpose of solving technical difficulties that may arise. Please remind your child about this arrangement. In the instance your child has forgotten their Office 365/Microsoft Teams email account and /or password, please have them contact their Care Group teacher via their hamcoll email or DayMap.

For students who do not have access to technology (computer and internet) at home, staff will communicate with students via telephone throughout Week 11.

Student Handbook

We are in the process of uploading our Student Handbook on our website. This Handbook provides detailed information about Term 2 processes and procedures that will support a successful Remote Learning Program. We are excited about launching this Program as students will participate in meaningful learning from the safety of their home. Please take a particular note of the processes related to student attendance, their lesson schedule and online etiquette. The Handbook also includes information about our On-Site Program.

Arrangements for Term 2

Please advise via the link below if your child will be learning at home or on-site.

RSVP by 17th April, 2020.
