## Year 12 Stationery List 2023

Below is the list of items that your child will require at the start of the school year. Some items, such as pens, are used throughout the year, so we recommend that a box is purchased rather than an individual pen. Please note that parents are responsible for purchasing all stationery items required by their child at the start of the year, and to replenish or replace items as needed throughout the year. Please note that there are also some recommended purchases. These are revision guides or workbooks that support student learning. Subject teachers will advise students and parents off this at the start of the year.

### General

Item	Quantity	Purchased
Black or blue pen	1 box of 20
